72 Hours: Is Your Family Prepared?

If an emergency happens in our community, it may take emergency workers some time to reach you. You should be prepared to take care of yourself and family for a minimum of 72 hours. Learn how quick and easy it is to become better prepared to face a range of emergencies – anytime, anywhere. Go to www.GetPrepared.ca to create your own emergency plan using their guides.

EMERGENCY PLAN:

We are updating our Plan for the Village of Pelly. We are asking all area residents to phone the municipal office or drop in and let us know your cell phone number. This number will not be given out and will only be made available to the designated officer in case of emergency.

The Village is now part of **SaskAlert**, the Smart Phone app to warn you of emergencies in our community. *Install it today.* If you need any assistance in connecting the SaskAlert app, planning for an emergency or wish to volunteer and train for emergencies, contact the Emergency Coordinator through the Village office.

NUISANCE BYLAW REMINDER:

Now that spring is here, the Village of Pelly asks residents to maintain their properties as required by Bylaw 2006-2.

Please do your part to keep our community presentable!
