

Never forget 3 types of people.

- 1). Who helped you in your difficult time.
- 2). Who left you in your difficult times.
- 3). Who put you in difficult time.

Take good care!

There was once a handyman who had a dog named Mace. Mace was a great dog except he had one weird habit. He liked to eat grass, not just a little bit, but in quantities that would make a lawnmower blush. One day, the handyman lost his wrench in the tall grass while he was working outside. He looked and looked, but it was nowhere to be found. As it was getting dark, he gave up for the night and decided to look the next morning. When he awoke, he went outside, and saw that his dog had eaten the grass all in the area around where he had been working. His wrench now lay in plain sight, glinting in the sun. Going out to get his wrench, he called the dog over to him and said, "A grazing Mace, how sweet the hound, that saved a wrench for me."

No coffee, No workee.

No word in the English language rhymes with month, orange, victim, silver or purple. I was **corrected** about "orange" by a friend: ((taken from an episode of Stephen Fry's QI show) Blorange - is a place in Wales. Also: Gorringe - is a common English surname of many, amongst whom there was Henry Honeychurch Gorringe, the guy who brought Cleopatra's Needle to NY Central Park!

Todd's wife bought a new line of expensive cosmetics guaranteed to make her look years younger.

After a lengthy sitting before the mirror applying the "miracle" products, she asked, "Darling, honestly, what age would you say I am?"

Looking over her carefully, Todd replied, "Judging from your skin, twenty; your hair, eighteen; and your figure, twenty five."

"Oh, you flatterer!" she gushed. "Hey, wait a minute!" Todd interrupted. "I haven't added them up yet."

Three elderly sisters, ages 92, 94 and 96, shared a house together. One evening, the 96 year old sister went upstairs to take a bath. As she put her foot into the tub, she paused. Then she yelled down to the other two sisters and asked, "Was I getting in the tub or out?"

"You dern fool," said the 94 year old. "I'll come up and see." When she got half way up the stairs she paused. "Was I going up the stairs or down?"

The 92 year old sister was sitting at the kitchen table drinking a cup of tea and thought, "I hope I never get that forgetful, knock on wood." She shook her head and called out, "I'll be up to help you both as soon as I see who's at the door."

The two most famous actors who portrayed the "Marlboro Man" in the cigarette ads died of lung cancer.

Lots of Kids

I have five siblings, three sisters and two brothers.

One night I was chatting with my Mom about how she had changed as a mother from the first child to the last. She told me she had mellowed a lot over the years:

"When your oldest sister coughed or sneezed, I called the ambulance.

When your youngest brother swallowed a dime, I just told him it was coming out of his allowance."

A recent email I received! Yikes!

Hi There;
Nothing ceases to amaze me about the Government.

This is a heads up to what the Feds are up to now.... Cheers

They announced that they are ordering the Immigration Department to start deporting old people (instead of illegal's) in order to lower Old Age Pension and Medicare costs.

Old people are easier to catch, and most will not

remember how to get back home! I started crying when I thought of you.

RUN, YOU OLD BUGGER, RUN!!

Well.... Someone sent it to me and I'm not going alone!

Patient to the eye doctor:
"Whenever I drink coffee, I have this sharp, excruciating pain in my eye."
"Remember to remove the spoon from the cup before drinking."

The oldest dog died at the age of 29

Yesterday I went to the doctor for my yearly physical. My blood pressure was high, my cholesterol was high, I'd gained some weight, and I didn't feel so hot.

My doctor said eating right doesn't have to be complicated and it would solve my physical problems. He said just think in colors; Fill your plate with bright colors; greens, yellows, reds, etc.

I went right home and ate an entire bowl of M&M's and sure enough, I felt better immediately. I never knew eating right could be so easy.

Women will never be equal to men until they can walk down the street with a bald head and a beer gut, and still think they are sexy.

A United States Marine was deployed to Afghanistan. While he was there he received a "Dear John" letter from his girlfriend.

In the letter she explained that she had slept with two guys while he had been gone and she wanted to break up with him.

To add injury to the insult, she said she wanted back the picture of herself that she had given him.

So the Marine did what any squared-away Marine would do. He went around to his buddies and collected all the unwanted photos of women he could find.

In all, he got more than 25 pictures of various women (some with clothes and some without). He then mailed them to his now-former girlfriend with the following note:

"I don't remember which one you are. Please remove your picture and send the rest back."

A friend of mine once sent me a post card with a picture of the entire planet Earth taken from space. On the back it said, "Wish you were here."

I bought a dog the other day...I named him Stay. It's fun to call him... "Come here, Stay! Come here, Stay!" He's much smarter now... Now when I call him he just ignores me and keeps on typing.

It is impossible to sneeze with your eyes open. **Another one that was proven wrong by Mythbusters.**

The number of people alive on earth right now is higher than the number of all the people that have died. Ever.

Grandma, who appeared to become an ever-more intimidating personality as the years went on, was giving directions to her grown grandson who was coming to visit with his wife:

"You come to the front door of the apartment complex. I am in apartment 14T. There is a big panel at the door. With your elbow push button 14T. I will buzz you in. Come inside, the elevator is on the right. Get in, and with your elbow hit 14. When you get out I am on the left. With your elbow, hit my doorbell."

"Grandma, that sounds easy, but why am I hitting all these buttons with my elbow?" the grandson asked.

"You're coming empty handed ... ?"

Never under any circumstances take a sleeping pill and a laxative on the same night.

Country Refreshment

A man was on a long walk in the country. He became thirsty so decided to stop at a little cottage and ask for something to drink. The lady of the house invited him in and served him a bowl of soup by the fire. There was a wee pig running around the kitchen, running up to the visitor and giving him a great deal of attention. The visitor commented that he had never seen a pig this friendly.

The housewife replied: "Ah, he's not that friendly. That's his bowl you're using."

I had to stop driving my car for a while. The tires got dizzy.

Good News

The parachute company says you'll get a full refund. They say the house didn't float very far at all. The "National Enquirer" just loved those pictures of you at work. Jerry Springer wants to surprise you on his show. The reward for your capture has reached fifty thousand dollars. The insurance pays the full book value (\$312) for your 1956 T Bird. The thieves left the push lawn mower and hedge trimmers. The boss said while you're sick, he'd do all your work personally.

There comes a time when you should stop expecting other people to make a big deal about your birthday. That time is age 11.

A group of Alabama friends go deer hunting and pair off for the day. That night, one of the hunters returns alone, staggering under the weight of an eight-point buck. 'Where's Henry?' the others ask.

'Henry had a stroke of some kind. He's a couple of miles back up the trail,' the successful hunter replies.

'You left Henry laying out there and carried the deer back?'

'A tough call,' nodded the hunter. 'But I figured no one is going to steal Henry!'

Teacher: Tell me a sentence that starts with an "I".
Student: I is the...
Teacher: Stop! Never put 'is' after an "I". Always put 'am' after an "I".
Student: OK. I am the ninth letter of the alphabet.

9 out of 10 people believe Thomas Edison invented the light bulb. This isn't true; Joseph Swan did.

Reporters interviewing a 104-year-old woman:

'And what do you think is the best thing about being 104?' the reporter asked. She simply replied, 'No peer pressure.'

A Sunday school teacher asked the children in her class, "If I sold my house and my car, had a big garage sale and gave all my money to the church, would I get into Heaven?"

"No!" the children all answered.

"If I cleaned the church every day, mowed the yard, and kept everything neat and tidy, would I get into Heaven?"

Again the answer was "No!"

"Well", she continued, "then how can I get into Heaven?"

A five-year-old boy shouted out, "You gotta be dead!"

The largest living thing on the face of the Earth is a mushroom underground in Oregon, it measures three and a half miles in diameter.
