

IT'S OKAY, GO TO WORK

I'LL BE RIGHT HERE UNTIL YOU GET BACK

What was the best thing before sliced bread?

What's the password?

A man was being tailgated by a stressed-out woman on a busy boulevard. Suddenly, the light turned yellow, just in front of him. He did the right thing, stopping at the crosswalk, even though he could have beaten the red light by accelerating through the intersection.

The tailgating woman hit the roof -- and the horn -- and screamed in frustration as she missed her chance to get through the intersection on his tail.

She was still in mid-rant when she heard a tap on her window and looked up into the face of a very serious police officer. The officer ordered her to exit her car with her hands up. He took her to the police station where she was searched, fingerprinted, photographed, and placed in a cell.

After a couple of hours, a jailer approached the cell and opened the door. She was escorted back to the booking desk where the arresting officer was waiting with her personal effects.

"I'm very sorry for the mistake," he tells her. "You see, I pulled up behind your car while you were blowing your horn, flipping the guy off in front of you, and cussing a blue streak at him. "I noticed the 'Choose Life' license plate holder, the 'What Would Jesus Do?' bumper sticker, the 'Follow Me to Sunday School' bumper sticker, and the chrome-plated Christian fish emblem on the trunk. So naturally, I assumed you had stolen the car."

Amazing Simple Home Remedies

1. Avoid cutting yourself when slicing vegetables by getting someone else to hold the vegetables while you chop.
2. Avoid arguments with the women in your house about closing the toilet seat by peeing in the sink instead.
3. For high blood pressure sufferers: every few days, simply cut yourself and bleed for a few minutes, thus reducing the pressure on your veins without the high cost of drugs. Remember to use a timer.
4. A mouse trap placed on top of your alarm clock will prevent you from rolling over and going back to sleep after you hit the snooze button.
5. If you have a bad cough, take a large dose of laxatives -- you'll be afraid to cough.
6. You only need two tools in life: WD-40 and duct tape. If it doesn't move and should, use the WD-40. If it shouldn't move and does, use the duct tape.
7. If you can't fix it with a hammer, you've got an electrical problem.

A radical feminist is getting on a bus when, just in front of her, a man gets up from his seat.

She thinks to herself, "Here's another man trying to keep up the customs of a patriarchal society by offering a poor, defenseless woman his seat," and she pushes him back onto the seat.

A few minutes later, the man tries to get up again. She is insulted again and refuses to let him up.

Finally, the man says,

"Look, lady, you've got to let me get up. I'm two miles past my stop already."

A lady who was speeding had an officer pulled her to the side of the road. She didn't have her seat belt on so as soon as she stopped, she quickly slipped it on before the officer got to her window. After talking to her about speeding, the officer said, "I see you are wearing your seat belt. Do you believe in wearing it at all times?" "Yes, I do, officer," she replied. "Well," asked the officer, "do you always do it up with it looped through your steering wheel?"

Irish Job Application

Murphy applied for a fermentation operator post at a famous Irish firm based in Dublin. An American applied for the same job and since both applicants had similar qualifications, they were asked to take a test by the Manager. When the results were in, amazingly, both men had only one wrong answer.

The manager went to Murphy and said, "Thank you for coming to the interview, but we've decided to give the American the job."

Murphy, "And why would you be doing that? We both got 19 questions correct. This being Ireland and me being Irish surely I should get the job."

Manager, "We have made our decision not on the correct answers, but on the question you missed."

Murphy, "And just how would one incorrect answer be better than the other?"

Manager, "Simple. On question number 7 the American wrote down, 'I don't know.' " You put down, "Neither do I."
