**The first single issued by singer-songwriter Cat Stevens was titled "I Love My Dog."**

An American, a Scot and a Canadian were in a terrible car accident. They were all brought to the same emergency room, but all three of them died before they arrived. Just as they were about to put the toe tag on the Canadian, he stirred and opened his eyes. Astonished, the doctors and nurses present asked him what happened. "Well," said the Canadian, "I remember the crash, and then there was a beautiful light, and then the American and the Scot and I were standing at the gates of heaven. St. Peter approached us and said that we were all too young to die, and that for a donation of \$100, we could return to the earth." He continued, "So of course, I pulled out my wallet and gave him the \$100, and the next thing I knew I was back here." "That's amazing!" said one of the doctors, "But what happened to the other two?" "Last I saw them," replied the Canadian, "the Scot was haggling over the price and the American was waiting for the government to pay for his."

A woman, turning thirty, was sensitive to signs of advancing age. When she found a prominent gray hair in her bangs, she pointed to it and asked her husband, "Have you seen this?" Her husband replied, "What? The wrinkles?"

Why did it take the Polish couple two months to drive across the United States? Because they kept seeing signs reading, "Clean Rest Rooms."

### New Years Resolutions You Have No Chance At Keeping

1. When I hear a funny joke I will not reply, "LOL, LMAO, or ROTFLMAO!"
2. Start using Facebook for something other than Farmville and stupid quizzes
3. I will try to figure out why I "really" need 5 facebook accounts.
4. I resolve to work with neglected children... my own.
5. Lose 20 pounds by going to the gym!
6. I will spend less than five hour a day on the Internet.

8. Spend less than \$1000 for coffee at Starbucks this year.
9. Lose weight by inventing an anti-gravity machine
10. Stop repeating myself again, and again, and again. I
11. will stop tagging pictures of myself in pictures even when I'm not in them
12. I will think of a password other than "password"

Why didn't I figure this out sooner? This morning, in the shower, I read the label on my shampoo bottle. It said: "For extra body and volume." No wonder I've gained weight! So I got rid of that shampoo and I'm going to use dish soap instead. It says: "Dissolves difficult-to-remove fat." Problem solved.

As a little girl climbed onto Santa's lap, Santa asked the usual, "And what would you like for Christmas?" The child stared at him open mouthed and horrified for a minute, then gasped, "Didn't you get my E-mail?"

Just heard that in 2014 there will be a new device that can turn thoughts into speech. I have had that for years, it's called alcohol.

So when someone ask you " Where is your Christmas Spirit?" is it so wrong to point out your liquor

It's much better to watch Godzilla backwards because then it's the story of a benevolent giant lizard who rebuilds a city and then moonwalks into the sea.

Donald Duck's middle name is Fautleroy.

I just watched my dog chase his tail for five minutes and thought, "Dogs are so easily entertained." Then I realized: I just watched my dog chase his tail for five minutes!

Snow Plow A blonde driving a car became lost in a snowstorm. She didn't panic however, because she remembered what her dad had once told her. "If you ever get stuck in a snowstorm, just wait for a snow plow to come by and follow it." Sure enough, pretty soon a snow plow came by, and she started to follow it. She followed the plow for about forty-five minutes. Finally the driver of the truck got out and asked her what she was doing. And she explained that her dad had told her if she ever got stuck in a snow storm, to follow a plow. The driver nodded and said, "Well, I'm done with the Wal-Mart parking lot, do you want to follow me over to Best Buy now?"

I saw an Apple store get robbed. Does that make me an iWitness?

This holiday season, in lieu of gifts, I've decided to give everyone my opinion.

The fact that no one understands you doesn't mean you're an artist.

May all your troubles last as long as your New Year resolutions.
